Health

Rowing and its associated training can be a strenuous activity. You should therefore be in good health and have no medical condition precluding heavy exercise. If there is any doubt, you should first consult your doctor.

Some conditions, such as asthma and diabetes, do not prevent individuals from participating in the sport but you have a duty to declare any condition that may put yourself or others at risk. Likewise, you have a duty to declare any change in personal health whilst a Member of the Club that may put yourself or others at risk.

It is important that you inform those around you, e.g. Coaches and Crew, of any condition they may have to deal with in the event of an emergency.

Swimming Proficiency

For your own safety it is important that you are a competent swimmer. As a minimum you must be able to swim 50 metres in light clothing. If you cannot meet this requirement you **MUST** wear a life jacket or buoyancy aid at all times when in a boat.

The club will regularly hold swimming tests and capsizing procedures, not only to demonstrate your competence, but also your confidence under the water, swimming on your front and back, and your ability to tread water.

Declaration

To be accepted as a Member you must sign this Declaration (together with your Parent/Guardian if you are under 18 years of age) and return with your Membership Fee to a Club Official.

I have read and understand both the Health and Swimming Proficiency statements above and I declare that I *can/cannot meet the minimum swimming requirements and I have *no need to seek medical approval/been passed medically fit** to row and I agree to inform the Club, Coaches and Crew of any changes in my Health and Swimming Proficiency that may put myself or others at risk.** (* delete as applicable)
